

Weekly Word

Care Curiosity Determination

Dear Parents/Carers,

I hope you have had a good week! Definitely a chill in the air, seems like the end of Summer is fast approaching!

Loving these photos from Y3. Some Outdoor Learning/History taking place and then some writing. Don't worry, that isn't graffiti!! The class were just exploring different ways to make marks and practice their handwriting.

In other news, we received this message from YMCA Derbyshire, our WrapAround and Holiday Club providers the other day:

*We are delighted to share with you all our most recent OFSTED report after an inspection took place over the summer holidays at Markeaton. We are extremely proud to announce Y-Kidz received a **STRONG STANDARD** across the board in all areas!! Whilst this report took place over the summer activity club, many, if not all factors are relatable to the wraparound care we provide at Markeaton also.*

YMCA Y-Kidz prides itself on providing the best possible care for all of our children and families and our staff work diligently day in day out to showcase this so we are extremely proud to see this reflected in the report. We encourage everyone to follow the link below to see the details of the report

<https://reports.ofsted.gov.uk/provider/16/2836787>

Pretty amazing hey!!

Have a lovely weekend,
Mr I. Johnson
