

Weekly Word

Care Curiosity Determination

Dear Parents/Carers,

Another week gone, another week full of busy classrooms and lots of learning!

A few of the highlights that have stood out this week include:

- Year One and Year Two classes going on their local area walk. The weather just about held fine and it sounds like they had a fantastic time. Thank you to all of the parents/carers/family members who volunteered. Without your help and support these trips, or indeed any school trip, would not be able to go ahead.
- Children in Y3 learning how to ride a bike. Our trusted and longstanding friends Cycle Derby were in school today helping children who needed that little bit of extra help to learn how to ride a bike. I don't quite know how they do it but children with little or no experience were suddenly whizzing up and down the playground on two wheels!
- The launch of our new Wellbeing Ambassador Program. Over the next few weeks children will be encouraged to apply to be Markeaton Wellbeing Ambassadors. The application form asks them the following:

Wellbeing Ambassadors need to be:

- Good listeners
- Good at communicating
- Kind
- Supportive

Can you tell us how you are these things and maybe even given some examples:

We look forward to seeing lots of applications come through...

In other news, the Tuck Shop has made a welcome return to the playground after a few teething problems. I am sure there will be a long line of children queuing up at breaktimes to get their snack

And finally, a huge thank you to all the volunteers who came in to help decorate our Music Room. Your time and effort is much appreciated!!

Have a lovely weekend,
Mr I. Johnson
