Care Curiosity Determination

Dear Parents/Carers,

Sports Competitions at Markeaton are back with a bang! Children from Y5 and Y6 attended the first of many cross-country events earlier in the week and they did the school proud! Mr Beer was incredibly impressed with their attitudes and said they represented the school amazingly well 😊

In other news, a huge thank you to the team of volunteers who are currently helping to redecorate the downstairs music room. The murals are looking brilliant and the whole space is starting to get a whole new lease of life. Whilst on the subject, if you would like your child to receive any kind of musical instrument lessons then drop the school office an email for details about when and where (admin@markeaton.derby.sch.uk).

And finally, the PTFA got in touch last week asking me what the school would like them to save up for – a fundraising target so to speak. After a period of consultation, it was decided that some brand new theatre equipment (e.g. stage lighting, new music system) would be very well received. For all our new parents/carers, the stage is used lots of times throughout the course of the year and every other year it is the venue for our end of year performance – coordinated by Mrs Smith-Holmes and Mr Holmes. And the other thing we said we would like money for are the school experiences we arrange throughout the year e.g. planetarium. So keep any eye on the totaliser in the playground for more details (we may need to blow some of the cobwebs off it!).

Have a lovely weekend,
Mr I. Johnson
